

CONSTITUTION OF THE SOVEREIGN REPUBLIC OF ALBERTA DRAFT UPDATED: January 21/2021

Sovereign Republic of Alberta

Sovereignty emanates from man and woman, from no other source, because there is, in fact, no other legitimate source. Man and Woman are the only existential authority. Man and Woman are sovereign if they so choose to be. There can be no provable or tangible source of higher authority compelling the will of sovereign man and woman to bow to ignominious ideologies that do not recognize sovereignty as supreme. Sovereigns recognize no permission or other authority. Sovereigns pledge allegiance to no foreign bodies or higher powers. There is none with greater authority than that of a sovereign man and woman. There may be a greater force but when that force is exercised against peaceful men and women to forcefully subjugate them, this becomes naked aggression, tyranny and a crime against sovereigns. Sovereigns have met with such tyranny and stand firm against it.
